2020
PANTHER POWER DAY**

*"Be strong in the Lord and the power of His might"
Ephesians 6:10*

The 2020 Panther Power Day will be held on Saturday, October 17, at Viera Charter School in Viera, Florida. The contest has been scheduled as an “introduction” to the competitive aspect of our great sport for the lifters (and parents) of the school’s newly formed “Girls Gone Strong” powerlifting program.

The contest letter will be uploaded during the week of September 28.
